A Student/Parent may, at any time, cancel or modify this authorization if desired. A cancellation or modification is not retroactive- it takes effect on the date that the school receives it from the student or parent. If a student or parent cancels an authorization to use FSA program funds to pay for allowable charges other than tuition, fees, and room and board, or minor prior year charges, the school may use FSA funds to pay authorized charges incurred by the student before the notice was received by the school.
